About SSAI

Light industrial staffing agencies have faced many regulation changes over the last several years. The Staffing Services Association of Illinois was created in 2002 due to the lack of positive legislative affairs support. The fight to keep our industry free of unnecessary regulations starts by having representation within the Illinois State Capitol that supports our perspective and agenda. That's what we're all about.

To current SSAI members

To gain access to members-only pages, current SSAI members should log in using ID's and passwords recently sent to them by our staff. If you need help, please [click here](#) ^[1] for contact information. We're always available to make your interaction with our association easier.

To site guests

We welcome new members to Staffing Services Association of Illinois. If you are a staffing agency working to place light industrial employees, please review information on this site prior to submitting an application for membership. If you're ready to apply now, [click here](#) ^[2] to complete the online membership form that applies to your company.
